Need Five High Schools In Ten Years, Survey Predicts

See Detailed Map Page 3

A minimum of five high schools four of which would be west of Junipero Serra boulevard, will be needed to house an estimated 7900 students who are expected to crowd the Jefferson Union High school district by 1965.

These figures were released at Monday night's board of trustees meeting by Dr. Maynard Bemis of Stanford University. The report on the local high school district is a portion of the county-wide continuing survey.

Superintendent Edward Morgan estimated that the building program within the next 10 years would cost \$12,000,000. Preliminary steps towards placing the district on the state aid program are now being made.

The 7900 children who will surge into the district within the next ten years represent an increase of 267 per cent over the 2150 students enrolled this year.

Greatest growth is expected to occur in Laguna Salada where the rise is expected to be 425 per cent. A 243 percentage increase is anticipated in the Jefferson elementary district, while a 50 per cent rise is predicted in Bayshore and Brisbane.

School Locations

In order to provide for this tremendous growth, the survey recommends a total of five schools be in use by 1965. Suggested locations are Jefferson, Westmoor, Sharp Park, Linda Mar and Laguna Alta.

"Even with this suggested program for five school plants where only one exists today, some difficult years with overcrowded facilities lie ahead," the report warns.

Possibility of constructing two other plants in the Bayshore-Brisbane area and in the Valle-Mar-Rockaway Beach district after 1965 is also proposed.

Breakdown

Breakdown as to suggested building program is as follows:

1957—Complete first unit of Westmoor for 1250 capacity.

1958—Complete second unit of Westmoor for additional capacity of 250. Total capacity now 1500.

1959—Complete first unit of school at Sharp Park for capacity of 1200.

1961—Complete first unit of school in Linda Mar for capacity of 1000.

1962—Complete first unit of school in area of Laguna Alta (extreme southern portion of the

present Jefferson elementary district) for capacity of 1000.

Sharp Park

1963—Complete second unit of school in Sharp Park for additional capacity of 300. Total capacity now 1500.

1964—Complete third unit at Westmoor for additional capacity of 250. Total capacity now 1750. Complete second unit of school in Linda Mar for additional capacity of 500. Total capacity now 1750.

1965—Complete second unit of school in area of Laguna Alta for additional capacity of 750. Total capacity now 1750. Complete third unit of school at Sharp Park for additional capacity of 250. Total capacity now 1750.

Urges Fast Action

In acquiring the suggested sites, the survey staff recommends taking action as soon as possible.

"Delay can only mean increased prices and perhaps the loss of the most desirable locations," the report comments.

It is further suggested that sites be procured in the size of 40 to 50 usable acres. It is highly possible, according to the survey, that some of the proposed high schools may need to be expanded to serve 2000 pupils.

Brisbane Annex Study Launched By City

Editorial Comment Page 3

Midst an atmosphere of congeniality, officials of Daly City and Brisbane conferred Tuesday night and called for an extensive six-week engineering study to determine costs facing both communities in event Daly City annexes the hilly bayside community.

While officers of the Brisbane Homeowners association expressed unanimous desire to effect the annexation, it became apparent yesterday that there would be some opposition on other geographical and governmental fronts.

Howard Field, president of the homeowners group from the community of 5000 persons, told the council that, "I think Brisbane has got a lot to gain by this annexation."

Many Questions

Field, however, raised a score of questions regarding taxes and municipal services.

He said, "If we decide to join with Daly City, we'll have to depend on Daly City officials to give us iron-clad figures in black and white as to what annexation will save us in dollars and cents. We've got to present these facts to our people and it's going to be a tough selling job."

Nate Cohn, attorney for the homeowners, pointed out that before Daly City could annex Brisbane, Bayshore City, which lies along the northern fringe of San Mateo county, would certainly have to be considered.

Contacted by THE RECORD, Bert Ford, president of the Bayshore City Voters' league, said he knew little of the annexation plan, but indicated most of the 3000 people in his community were "content" with their present status.

"Talk About It"

"We'd be willing to talk about it," said Ford. "But there'd be a lot of things to work out. We already have our own sanitary, water and fire districts and the sanitary district has \$300,000 in the treasury. The districts are (Continued on Page 2)

Yellow Cab To Start Here Today

Yellow Cab Company of Daly City will commence operations here this Friday, according to announcement made today by Robert H. Barr, newly-appointed general manager of the company for this district.

Barr, who resides at 63 Garden Grove drive, Westlake, stated that six radio-equipped cabs will serve the Daly City area, as well as the Colma and Broadmoor areas.

"The organization that will conduct the new and modern taxicab service for Daly City patrons has had over 30 years of experience in taxicab operations," said Barr. "The basis of a successful operation of any taxicab company is safe, efficient and courteous service, and the Yellow Cab Company has established and maintained a reputation for such service."

Barr said that there will be no additional charge for service to and from San Francisco, and that (Continued on Page 2)

Find It Impossible To Repair Damage To Bonnie's Heart

Heart operation on four-year-old Bonnie Lynn Steele has been cancelled.

Famed heart specialist, Dr. Walton C. Lillehei, performed an exploratory operation late last week only to find it "impossible to repair the damage already done" to Bonnie's heart.

Bonnie, daughter of Mr. and Mrs. David Steele of 171 East Vista street, was taken to the Minnesota Heart hospital last month by her mother in the hopes that the difficult operation by Dr. Lillehei might prolong or perhaps save the child's life.

The surgery, originally scheduled for August 3, was first postponed and then finally cancelled last week.

Bonnie suffers from a heart condition known as a ventricular septal defect, victims of which normally live only to their sixth or eighth year.

Furniture Salesman 'Bends His Elbow' One Day Too Late

A 46-year-old furniture salesman planned a drinking celebration one day too late this week and as a result, ended up in the county jail.

William Carey Welsh of San Gabriel, who was staying at a local motel, was arrested by local police Wednesday on a charge of drunk driving. New county municipal court policy raising drunk driving bail and fines went into effect the same day.

Welsh's arrest came after a two car police chase down Mission street at 10:05 p.m. The first patrol car, red lights flashing and (Continued on Page 2)

Linda Mar residents, busy fighting Daly City's attempt to establish a fill and cover dump site behind the North Coastside subdivision, may be seeking a spot to dump their own garbage in eight months' time.

This ironic turn of events developed Tuesday when Partners George Giordano and Mario Torreggino outbid A Pitto for purchase of the Sharp Park-Half Moon Bay Scavenger company.

Although Pitto will allow his two former partners to lease his garbage dump site for the remainder of his one-year use permit, county authorities told THE RECORD today that further use of Pitto's site by the new company owners will not be authorized.

County Requirement Apparently Pitto's permit will not be renewed because he is no longer in the scavenger business, a county requirement for gaining a dump operation permit.

Torreggino and Giordano have already joined Daly City Scavenger President Al Sereni in making application for the hotly contested Pedro Valley site. Although the Daly City Scavengers would actually lease the property, the coastside firm would be allowed to use the dump.

Thus, Linda Mar residents may be forced to join Daly City in seeking county approval for the same dump which they now oppose.

Sereni emphasized today that the Sharp Park-Half Moon Bay company would be bound by the same stringent rules as would apply to the Daly City Scavengers.

Circulate Petitions

Meanwhile, Linda Mar Homeowners association President Lou Bell reported that his group would begin circulating petitions against the Daly City operation next week.

Lionel Spencer and Gerald Schumacher were named to head the committee to organize the opposition.

W. F. Petersen, president of the North Coastside Businessmen's association, also reported that his group had forwarded a letter to the county planning commission opposing approval of the dump.

"We have only to lose by this (Daly City) dumping of rubbish along our beautiful coastside," the letter read.

The city of San Bruno, in voting last week to enter the South San Francisco bay land reclamation plan, also voiced disapproval of the Daly City proposal.

KEEPING PACE with the tremendous residential and business growth in Northern San Mateo county, THE RECORD now boasts a 16-page duplex tubular press, making it the only

weekly publication in the Bay Area with equipment of this type. The 32-ton rotary press, which will be in operation in October, has a maximum speed of 30,000 papers an hour, as com-

pared with running speed of the present Goss Comet flat-bed press, 3000. The new press is also equipped to print color. Editor Harold P. Bradshaw, shown checking over press dur-

ing assemblage, says the new equipment will make possible a major increase in volume.

Board Backs Weibel In Clerk Ouster

A trio of Jefferson elementary school district board members voted Tuesday night to back Superintendent H. Z. Weibel in his recent decision to oust Mrs. Marie Sorensen from her job as Westlake school clerk.

Mrs. Sorensen, 80 Garden Grove drive, charged July 2 that Weibel refused to rehire her because of her co-chairmanship on a citizens committee entitled "What Should the Schools Accomplish." This claim has been termed "false" by the superintendent.

In upholding the superintendent's action, Trustees Katherine Mullen and Joseph Lewkowicz voted to approve Member Henry Kraus' motion to "support and approve the decision of the superintendent to not re-employ Mrs. Sorensen."

Trustees Michael Callan and Hartley Appleton were not present at the special meeting.

Following presentation of his motion, Kraus stipulated that "the board in no way questions Mrs. Sorensen's performance of duties." He added that the only reason he felt action should be taken was to "define board policy in the event similar incidents should arise in the future."

Weibel then took the floor, saying "I bear no ill will towards Mrs. Sorensen although I think she might have chosen a better time and place." He declared that some of the clerk's statements were "exaggerated."

"This sort of thing is not uncommon, however," the superintendent continued, "as anyone in a position of leadership knows."

In previous statements Weibel had insisted that he did not re-employ Mrs. Sorensen for the following reasons: She did not return an employees questionnaire, she agreed only to work three days a week, she revealed she would not be agreeable to working any extra hours, the principal had not asked for her reassignment and she could only put in six hours per day.

Principal Praise Decision of the board followed reading of a letter from Miss Elisabeth Kennedy, principal of the Westlake school, who highly praised Mrs. Sorensen's work.

"I did not realize that it was necessary to request the rehiring of the building clerk," Miss Kennedy declared. "I had assumed that the continuation in the position was automatic."

"I would be most happy to have Mrs. Sorensen continue as our clerk," the letter concluded.

About a dozen persons appeared at the public hearing in the clerk's behalf.

"It is not only the right to hire and fire which is under consideration tonight," Gordon Petersen, former resident here, told the board. "We have here a citizen, who because of her interest in schools, bringing in a report which might be critical—and she loses tenure."

"Should Not Penalize" "It is hard enough to get citizens interested," Petersen continued. "We should not penalize those we have."

Before passage of the motion, Mrs. Mullen, chairman of the board, read a statement outlining her opinion. She emphasized that it was as a "member" of the board that she was speaking.

After several months of continuances and sundry legal motions, Dino Donati, local pin ball machine distributor, was found guilty Monday on two counts of bookmaking and fined \$500, but Superior Judge Aylett Cotton's decision apparently won't become official for two more weeks.

After reviewing transcript of Donati's preliminary hearing, Judge Cotton found the 36-year-old Daly City resident guilty on bookmaking and conspiracy, fined him \$500 and placed him on three years probation.

But District Attorney Keith Sorenson protested: "There hasn't been a probation report, your honor."

Judge Cotton declared he didn't need it but Sorenson implored him, "I have a lot of additional information I'd like the court to have."

The jurist said he was "very familiar with this case."

City Engineer To Quit Post For U.S. Job

Cyril Weiler, the city's first full-time engineer who has served here one year, will leave his position sometime within the next six months, it was learned today.

Weiler revealed that he has applied for certification as a federal engineer in Washington, D. C. He said he hoped to receive notification of acceptance in from three to six months.

Pointing out that he will leave "with regrets," Weiler said there were several factors that prompted him to apply for a federal career. Higher salary was important, but not the main reason, he declared. He said the main consideration was to "get closer to the mid-west and our family. Besides, I've always wanted to get into federal service."

Weiler has asked for a position in construction engineering under the general services administration.

He said he was confident that he would receive certification for the job.

Weiler was hired as the city's first full-time engineer in August, 1955, and has served as head of the newly-created public works department.

"I like it here and I like the people, but I'm doing something I've always wanted to do," the engineer said.

POPULAR COLUMNS RETURN TO RECORD

Appearing in municipal court Thursday, Welsh was ordered to pay a fine of \$250 or spend 30 days in the county jail. Drunk driving fine was formerly set at \$150. Unable to raise the amount required, Welsh was transferred to the county jail.

RECORD ASSESSMENT ACCEPTED BY CITY

Sitting as a board of equalization Monday night, the city council accepted the city tax assessment roll as presented by City Clerk Evelyn Mosman.

There were no written or oral protests to the assessments.

The roll showed \$26,007,765 for secured—personal property, and \$1,549,260 for unsecured, for a total of \$27,557,025, an increase of approximately \$2,000,000 over last year's valuation. Assessments for public utilities have not yet been reported.

The council closed their hearing as the board of equalization, but have set next Wednesday as date for public hearing on the 1956-57 budget.

Fine Donati \$500; Order Not Definite

(Continued from Page 1)
Sorenson continued, "I have a great amount of material I planned to furnish the probation officer."

Sorenson claimed the law made it mandatory that "these cases be referred to the probation officer for a report before sentencing."

So Judge Cotton continued the matter two weeks until Monday, August 27, to see what the probation officer might come up with.

Donati, who lives at 19 Castle-mont here, was arrested in May shortly after a raid on a home at 1171 Brunswick street that was said to house a \$1000 a day horse race bookie operation. Mrs. Marie Hammel, arrested in the raid, testified in municipal court hearing that she was employed by Donati.

After Donati's attorney, James MacInnis, had failed in motions to have charges dismissed, he asked two weeks ago that Judge Cotton announce verdict on the basis of the municipal court hearing.

The residents of Daly City and nearby areas would have a "round-the-clock" service not previously available. He said that the Yellow Cab taxi cab service will have offices at Lee's Pharmacy, 6395 Mission street, and the telephone number for cab service is TUxedo 5-1212. He added that telephone stands are located at the Town and Country Market in Westlake, the Silver Moon Cafe on School street adjacent to the Broadmoor development, and Mission and Hillside boulevard.

Barr has been with the Yellow Cab Company of San Francisco for the past 11 years in an executive capacity both in the purchasing and used car departments. He is married and the father of a boy and a girl.

DC Fortune Teller Forfeits \$100 Bail

Dina John alias Laura Davis, charged with violating a city ordinance against fortune telling, forfeited \$100 bail in municipal court Tuesday. A petty theft count was dismissed by Judge Thomas L. Bocci.

Mrs. John, 38, of 25 88th street, was arrested August 4 after accepting three dollars from Police Matron Josephine Runne, who in turn had her fortune told.

Representing Mrs. John in court was Attorney John Putkey.

pretty wealthy and there are no bonds out for the water district and \$20,000 in the treasury.

"In the first place, I don't know how Daly City could get over the top of the hill without first taking in the Crocker Estate and us." He said the annexation might be brought up at a meeting of the league this week.

The Crocker Estate was non-committal on the annexation move. When contacted by this newspaper, W. F. Morton, secretary of the estate, declared, "We'd be glad to have the annexation thoroughly explored, but we wouldn't initiate the study. Let's just say we're not un-receptive to the plan."

The Crocker Estate's vast holdings include 3500 acres between Daly City and Brisbane which extend south to South San Francisco.

Industrial Use
Asked whether some of this property could be developed for industrial use, as proposed by Daly City under the Brisbane annexation plan, Morton said, "Certainly the land will be developed in an orderly manner, but our plans are very indefinite right now."

Morton agreed that should his firm launch an industrial development, "the services such as those provided by a city would be necessary."

Tuesday's dinner session held at the Copperwood Lodge in Colma lasted for three hours.

Representing Brisbane were Fifield, Mrs. Laura M. Johnson, secretary, Mrs. Josephine Vidaverx and R. J. Roland, trustees, and Cohn.

The five councilmen, City Manager Howard Stites and City Attorney Frank Blum appeared for the city.

Growing Aspirations
Mayor Joseph Verducci told the Brisbaneans, "We have aspirations of growing. Our goal is east-west boundaries of the coast and the bay. If annexed you will have all the rights and privileges of the present citizens and will be asked to assume the same debts."

Councilman Sanford Vickers immediately called for a "fact-finding board" made up of Daly City and Brisbane residents "so we can bring all the facts to both sides."

"There is a great potential in unification," declared Councilman Paul Hupf. "The problems can become vexing but they are not major obstacles." He said the potentials of the Brisbane annexation "defy imagination" and were of "great moment" to both communities.

SP Rail Extension
Fifield told the group that Southern Pacific had plans to re-vamp their track laying program in the valley below Brisbane which would lead to extensive industrial development. "So Daly City would benefit from the standpoint of industrial valuation," he remarked.

Some of the problems which would be encountered by annexation, such as elimination of present fire, police, water and sanitary districts in Brisbane were discussed, but Stites said nothing conclusive could be said until completion of a six-week engineering study.

Commenting on putting over the annexation, Verducci declared that "this primarily depends on the people of Brisbane. That's how simple it is."

Annex Procedure
Blum explained the annexation procedure that would have to be followed in event the idea reached culmination. First, he said, proposed boundaries of the area to be annexed would have to be submitted to the boundaries commission, after which the proposal would come before the city planners and council. Following publication of a notice of intention to circulate a petition, signatures of 25 per cent of the registered voters in Brisbane would have to be obtained.

On gaining the necessary signatures, the measure would then be voted on by the Brisbaneans, with a simple majority required to carry the annexation.

There was one major obstacle that might block the annexation, Blum said, explaining that taking in Brisbane might constitute an illegal "strip" annexation. This, he said, was an engineering problem.

Claims No Support
In emphasizing the tough job his group would have selling the annexation to Brisbane homeowners, Fifield said, "The Brisbane Chamber of Commerce won't go along with us."

Arthur Kennedy, chairman of the Brisbane County Water district and secretary-manager of the Chamber of Commerce, revealed yesterday that, "We haven't discussed this at all. I don't really see how it could be done. It would be a strip annexation."

"I was approached six months ago and Daly City councilmen were supposed to attend our chamber meeting but they never made it."

He declared, however, that

2. Heard protests from Joe Millett against rezoning three lots bounded by Mission, Citrus and Miriam street from R-3 to C-1. Petition bearing signatures of property owners in the area was also presented in protest. Councilmen decided to give the matter further study and set it over to August 27.

3. In separate actions, dispensed with compensation of \$50 a month for City Clerk Evelyn Mosman's duties as city assessor, and reduced her salary as deputy tax collector from \$100 to \$50.

4. Heard request from Councilman Del Wilson asking the city to notify the county immediately of its opposition to the present method of distributing municipal court revenue to the city. City Attorney Frank Blum said he would make an appearance before supervisors to speak on the matter any time the council so directed him.

5. Ruled that the city clerk would be granted a flat \$150 for attendance at conventions and that she would have the authority to decide for which meetings the money would be spent.

Finally, the man caught up to her at Mission street and pulled alongside, whereupon the lady indignantly looked away, finally glanced over to see who her pursuer was.

"She was then informed by her follower that four or five parcels of the U. S. mail were waving precariously in the breeze from her rear bumper, where they had apparently landed when the postman stuck the letters through the garage mail slot.

Last heard, Verducci wanted to go double or nothing on the bad-minton courts.

Just after Fred and his family got off the Pan-American plane and left for London, that same plane was struck by lightning during a major storm and the incident got extra-edition play in the London newspapers.

Sounds like this traveling on the Isles is risky business. And Fred still has yet to hit the continent—Paris, Germany, Denmark, Switzerland, Italy, Spain and Portugal.

Board Backs Weibel In Clerk Ouster

would "deliberately lie."

"If Mrs. Sorenson was given an ultimatum: to give up her work on a committee, to which she was appointed by this board, or give up her work as a clerk in the district, and was not rehired because of the committee work, then in my opinion she should have been rehired," Mrs. Mullen declared.

She went on to extoll the worth of the citizens committee.

"We have just entered into an agreement with Stanford university to do a study in this district and to point out to us our weaknesses and I hope they will recommend ways in which we can overcome them," she continued.

"This study will take approximately a year, and it is my opinion that we make no drastic changes until after the study is completed, if it is to be effective."

Loose Dog Results In 2nd Arrest Of Tug Boat Captain

A 35-year-old tug boat captain, sentenced to a \$10 fine on a dog leash law violation Tuesday, was due to be arrested on the same charge today (Friday).

Franklin S. Sears, 169 East Vista avenue, was ordered Tuesday by Judge Thomas L. Bocci to keep his white mongrel dog on a leash. He was placed on 90 days probation.

The following day Sears' neighbors called Poundmaster Charles Maschinet to report that the dog was again running the streets and chasing cars on the steep East Vista hill. Second complaint against Sears was signed Thursday morning by Mrs. Billie H. Root, 159 East Vista avenue.

Engineer, Manager To Report On Cost Of Water For Tract

City Manager Howard Stites and City Engineer Cyril Weiler have been asked to prepare a survey to determine whether it is "economically feasible" for the city to provide water mains for the Myrtle tract subdivision in southern Daly City.

According to formal opinion rendered Monday by City Attorney Frank Blum, the city must supply water at its own cost if it is "economically feasible."

The report by Stites and Weiler is scheduled to be presented at the next regular council meeting. Councilman De Bernardi also called for a report on any other areas in Daly City that might make the same demands on the city. Ordinarily, provisions of water is taken care of under the subdivision ordinance, but this has no jurisdiction over areas that are already within the city limits.

NO CLOSED SEASON

There is no closed season on sturgeon in California, according to the National Automobile Club. Bag and possession limit is one fish with a minimum size of fifty inches.

ON BRISBANE: TAKE IT EASY

Take it slow and easy!
That's our advice to the city of Daly City and the community of Brisbane which has been proposed for annexation to Daly City.

Annexation of Brisbane, should concurrence of the property owners holding lands between the two areas be gained, could be a stroke of monumental significance and foresight.

It would stretch Daly City's boundaries from the Pacific Ocean to the San Francisco Bay and could very possibly result in major industrial development here with its high valuation and resultant spreading of the tax burden.

And annexation of Brisbane could prove a horrendous fiasco that might boost taxes two-fold and result in a dissident feuding populace that would dwarf the Hatfields and McCoys.

Brisbane has problems and their problems don't come in small packages. Practically every municipal service that would have to be provided, police, fire, water, sanitary sewers, recreation, will probably require a sizeable financial outlay. The sad state of Brisbane's streets alone is enough to give most municipalities a headache.

But Brisbane is attractive, from the standpoint of increased population, which means more state subventions, and the vast amounts of nearby undeveloped acreage which could burgeon into a bustling industrial area.

Frankly, Brisbane is a question mark. It is, contrary to the protestations of the supervisors, a 'stepchild' of San Mateo county.

It is a community of 5000 persons, apparently mostly unhappy about the lack of services that help to make a house a home and a subdivision a town. Some, of course, will fight annexation as a nasty word, as will some residents of Daly City.

We don't know the answer to Brisbane's problems. Maybe it's annexation by Daly City.

If it is the answer, a second and even more important question to the people of this city will have to be decided. Will annexation benefit Daly City?

An engineering study will provide some of the answers, and debate by the citizens and officials of the two communities will provide others.

Since so much hinges on the thoroughness and objectivity of the engineering study, we urge city officials to leave none of the literal Brisbane stones unturned.

Callan Hits S.S.F.; Reveals DC May Get Municipal Court

Possibility of the northern district municipal court being located in Daly City was revealed by Supervisor Thomas Callan Sr. last Thursday at the meeting of the North County Council of Cities held at The Colonial.

Pointing out that South San Francisco has lost the north county health center because of failure to provide an adequate site, Callan went on to reveal that "If South San Francisco gets the superior court, they're going to have to lose the municipal court. They can't have their cheese, bread and cake, too. I'm figuring to put the municipal court in Daly City."

South San Francisco has demanded that the county establish a superior court in their city as it has reached the required population of 35,000 persons.

Callan's statement that their city would lose the municipal court, brought a storm of wrath from the South San Francisco officials.

Mayor Guido Rozzi charged that, "You never said a word about us losing the municipal court."

Callan also said that the north county health center would not go to South San Francisco, as earlier planned, because the site proposed by the city wasn't what the county wanted. Callan charged South San Francisco had "renege" on the deal.

He declared that "We've got a site for the health center all picked out. It's in the unincorporated area."

"He wouldn't reveal its location, however," said "It's in the process right now of being purchased."

Firing back at the South San Francisco officials who had attacked him for his statements, Callan concluded, "If you cooperate with us, we'll work with you. Don't give us your work, then back away."

EAGLES CORNER

Of course we're all going to remember the big picnic coming up in just one more week, Sunday, August 26.

Sale of tickets is skyrocketing so why not call or write the secretary, PLaza 5-6968 or PLaza 5-9908 for your ducats.

The committee has made every preparation and hopes to see a huge attendance. A wonderful time for young and old is assured.

A special feature, and I might add a very welcome one, is a Sportsburger and Coffee booth. This will be handled by the ladies' auxiliary.

All sorts of athletic events will be operated throughout the entire day. Dancing begins at 1 p.m. Prizes will be awarded.

First Portion Of Street Improv'm't. Program Launched

First portion of a major street improvement program in the old section of Daly City was launched this week by the department of public works.

Paving of Acton street between Bellevue and Templeton was started Tuesday, while surfacing of Bellevue from Templeton to Whittier was scheduled to get underway today (Friday). Paving on Templeton from Mission to Peoria will probably start the first of next week, according to City Engineer Cyril Weiler.

This portion of the street improvement program will cost \$9000. On completion of these three street sections, work will be launched on other damaged streets, in order of priority.

MUCH DISPUTED fence and sand nuisance at Westlake school will be replaced in about two months' time with a planted

play area and baseball field. Here a workman grades the area while three youngsters look on. The job will cost approximately

\$20,000. Also undergoing improvements are Colma and Garden Village schools. THE RECORD photo

Village Notes

By Gwin Mitchell

PL 5-0679

Well, here we are back again, after two months of taking time out to do things which really need doing—and didn't get done! The typewriter didn't get to the hospital (which anybody who has to read or set this can tell you) and the kitchen isn't painted—yet. There is still somewhat of another month before school starts, so take heed, fellow procrastinators!

During the summer several new young Villagers have joined the ranks. If we hadn't goofed, we would have a full list. Still, here are some of the reasons for the happiness of many Village parents:

Patrick Michael Reed, 8 lbs., 11 oz. He is number four for Bob and Dolores, who keep house on Thornhill with Robert, Christine and Lyle.

Craig Matthew Farley, 8 lbs., 6 oz. This is number two boy for Sue and Richard Farley. They are fairly new MacArthurs, and we would like to welcome them and number one son Timothy to Our Town.

Lois Elise Duxte, 8 lbs., 15 oz. Ray and Verna are San Mateans now, but people who knew them when they were Washingtonians might like to know that Marc and Anita have a new little sister, and that the whole Duxte family is doing fine.

When small Helmer-to-be arrives to live on Maddux, he or she will be surrounded by many warm blankets, shirts, sacque sets, booties and all the rest of it. Reason we know this is because we went to a baby shower given for mother Dolores Helmer by Vi Murphy and Lois Swanson at Lois' home on Maddux, and saw the gifts. Bea Gantert, Eileen Croft, Billie Buchanan, Rena Corso, Jean Box, Meredith Orloff, Amparo Arejula, Marge Goodner and Mary Jane O'Brien were there too, enjoying themselves and admiring all the pretty decorations, including a rabbit in the punch bowl (relax—it was made of ice!).

Did a little checking up on vacations. Disneyland must have been Village the Second for the summer. Billie, Bob and Jim Buchanan went down there, as did the Vince Murphys (more about their trip later!), the Merrill Baxleys, and no doubt quite a few more we haven't heard about yet. That makes Manila, Midway, and the Police Department represented. How about the other avenues around and about? Let us know; we have a sneaking hunch that at least one family from every street in the Villages went to D Land this year.

The Tom Ganterts stormed Grass Valley in full force, and came home laden with wild blackberries, plum cherries and gold dust. (Wonder if the gold dust went into the freezer with the rest?)

And since birthdays make the nicest kind of news, Barbara and Stephanie Gantert obliged with theirs for us this week. They had a joint party on the day between Barbara's 6th and Stephanie's 4th birthdays, and guests who shared the fun were Linda and Ginger Delfino, Gail Hixson, Claudia Fry, Patty Warmoth, Jan Rizzo, Greg Florio and Scott Bjorkquist.

Some of the favorite families have moved this summer, or plan to move soon in the fall. The Sisks have left Village Lane for San Bruno, the Souths traded Larchmont for Millbrae, and the Terrys have left Washington for Ingleside Terrace in SF. The LePine and Hughes families who have been living next door to each other on Washington will be liv-

ing next door to each other still come this fall, but it will be in Millbrae Meadows. The Rex Spruiells will leave their Sweetwood home for the LePines' house on Washington when that happens.

Oh—the rest of the Murphy vacation story: When the Murphys were visiting Knott's Berry farm (which everyone seems to do when they go to Disneyland), they had just had a stagecoach ride and were about ready to leave when one of the stagecoaches upset.

Guess who administered first aid? That's right—our Vi. Not content with taking care of the Villagers, she has to start on a larger territory! Pictures in the LA papers were duly appreciative.

And in addition to all this activity in foreign countries, Vi has been busy at home. She has had four friends from Ohio visiting, then four friends from Midway Island, and now her aunt and three cousins from Corning, California, are here. Being Vi, she enjoys it all, and so do her guests. Ask her about the morning schedule sometime!

Jean Nourse has been looking high and low for a home to rent for the Dutch family she is sponsoring together with the Broadmoor Presbyterian church. So far, not much luck. There are five children in the family and this first month they will be here is sort of a temporary getting-settled time, and it is hard to find a home under those conditions. Anybody with any leads can certainly take a worry from Jean's mind. The Borgmans are due to arrive August 20 or so; incidentally, a benefit luncheon given at the church August 1 did very well. Jean lives on Montrose and her number is PL 6-0958.

This and That: Maddux Drive's Ricky Corso had the time of his 9 year old life at Folsom a week-end or so ago. He went up with the Harry Browns, the Ralph Coppolas and some friends, and did very well on water skis, we hear.

Ann and Harry Singerman are visitors here from Ohio, staying with Ann's brother Steve Musto on Thornhill. This is their second trip, and they like it fine out this way. . . . Bouquets to Beechwood's Ray and Rose Savage for sharing their Russian River vacation with Mike and Johnny Mullen. Their own son Bill was there, of course, and his cousin Ronnie, and Kay and Edythe Mullen came up for a couple of days. Never a dull moment! . . . Twelve year old Diane Ware from Palo Alto is visiting her cousins Nonette and Herb and Mark Swedberg on 90th Street, and has had a fine time helping Judy Logan (next door) play nursemaid to a pair of very young ducklings.

Nita and Ning Delfino have been having a wonderful visit with Nings' family, here from the Philippines. Their home on Washington street has had the welcome mat out for Nings' father, Elpidio Delfino, and for his sister Eugenia and her husband Col. Victor Sanders of the Philippine Army Medical Corps. The Sanders stopped by on their way to a dentists' convention in Atlantic City, but plan to be back, and Mr. Delfino will be here for quite a lengthy visit. Needless to say, the Delfino household has been having old home week at a great rate!

The younger members of the members of the Whaley family on Village Lane have been wearing seven league boots this summer. Doug wore them first when he took a seven week trip with Cmdr.

Citizen, Committee In Pot Shot at Sales Tax

Ray Charette and COST, the Committee Opposed to Sales Tax, both took pot shots at the proposed one-cent municipal sales tax in letters to the city council Monday night.

Charette, stating he was "very much opposed" to the tax, said it would have a "disastrous effect on merchants and the public."

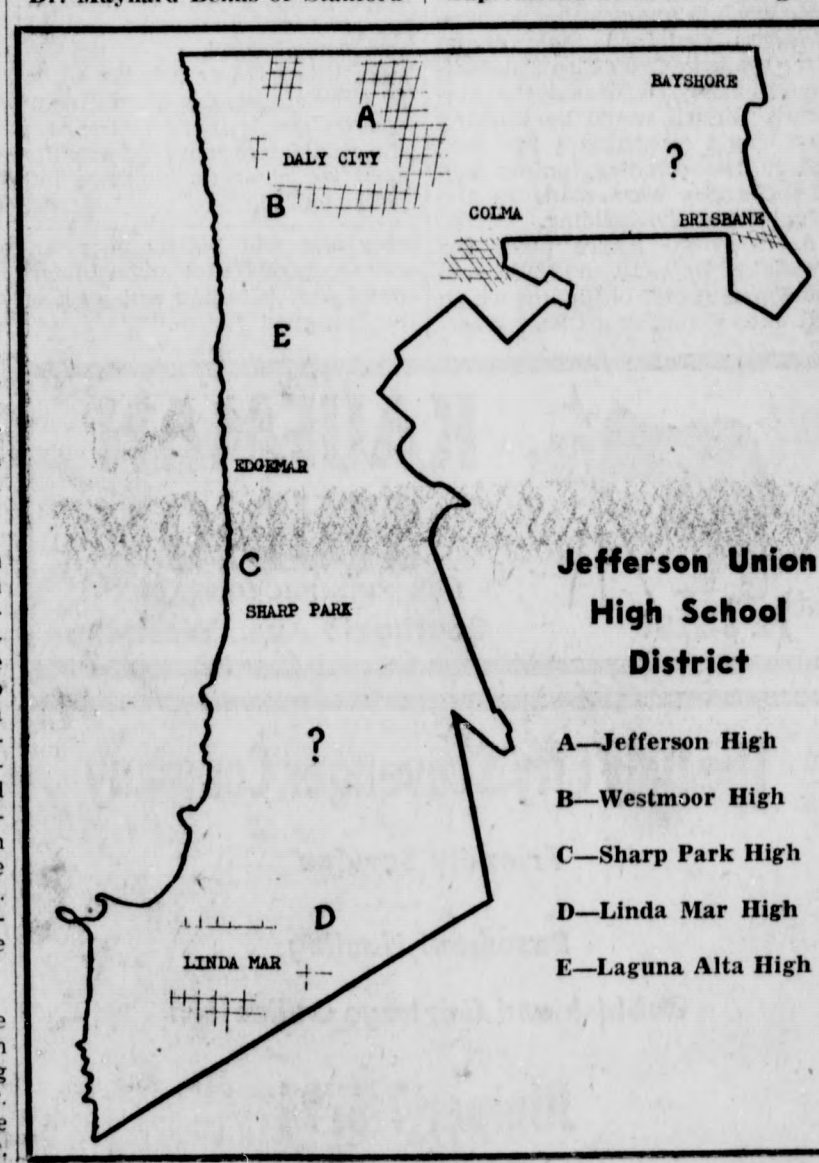

He urged the council to look elsewhere for new sources of revenue, specifically the subdivisions in Daly City, which he said were "creating the problem."

The COST group claimed the sales tax would not reduce property taxes, "but pave the way for greater tax increases in the future."

Carl Kolb of San Francisco, the commander's son, "C. J." and two other boys. The trip covered Yellowstone, Banff, and the Jasper National Park in Canada, with the four 12 year old boys doing the cooking all the way. They fished all the way, too, and killed a rattlesnake, saw bear, deer, elk and buffalo, and altogether had one terrific time. Doug got home in time to hand the boots over to sister Ella Jean, who plans to fly to Seattle to see her grandmother. After that she will go to Wenatchee, Washington, for three weeks at a friend's ranch, and then back to Seattle for school.

Sabina and Jim Fairbanks left Garden Lane for a northward vacation, too. Their trip took them first to Seattle, where they picked up Sabina's sister Laura Armfield, and then on to Lake Louise, Banff, and the Yoho Valley. They saw a beautiful falls in the Valley, and also saw Emerald Lake, which, because of its mineral content, has been known to show twenty-some shades of green. Final destination and highlight of the trip was a family reunion in High River, near Calgary, with 50 to 60 members of Sabina's family gathering there with her 88 year old father, Ira Olson.

TOTAL of five high schools will be needed for the 7900 students expected to surge into the Jefferson Union High school district by 1965. Question marks on the above map denote suggested placement of two additional schools which might also be needed in the few years following the 1956 date. These figures were released Monday by Dr. Maynard Bemis of Stanford

LETTERS TO EDITOR

Wife 'Furious' At Stites Comment On Volunteer Firemen

Open letter to Mr. Stites:

In answer to Mr. Stites' comment that "one regular fireman is equivalent to four volunteers" (The Record—August 9, 1956), I have just read the article, and I'm furious.

My husband has been a volunteer for over a period of years, and a darn good one too! He never misses a meeting or a drill and answers every call.

I'd like to see you, Mr. Stites, sit down to a hot dinner and have to leave it to answer a call, or get up from a warm bed at 3 a.m. (or so) to answer an alarm, maybe it's a big fire or a false alarm, then have to get up at 6 a.m. again to go to your regular job, because if you lost it your pay from the volunteer department is not half enough to support your family.

And suppose he loses his life on one of these fires? Is a volunteer's life worth less than a regular fireman's?

You act like you're doing them a favor keeping them. The volunteer department was fine before you had a regular department, but now you want to kick them out like an old shoe.

Think again, Mr. Stites. I think the volunteer men are doing you a favor.

Ousted Jeff Clerk Lauds Coverage Of School Board Meets

August 15, 1956

Dear Editor:

I would like to thank Monte Dayton and Nancy Shands—press reporters from THE RECORD for always being on hand at all school board meetings. To report the news as they see it and not as reporters in years gone by did by calling the school office the following morning and reporting the news as the school authorities wished it to be.

Though it may seem strange on my part I would also like to thank Mrs. Mullen, Mr. Krause and Mr. Lelkowitz, trustees of the elementary school board, for taking time out from their busy lives for a special hearing on my removal from the duties of clerk in the school district.

Even though the board did not rule in my behalf I still have faith in what they are trying to do and I feel sure they acted for what they thought was best for the school district. I hope this episode will not discourage parents from taking an interest in school problems and attending board meetings thesecond and fourth Wednesday of every month.

I know there will be those people that will say you should or should not have done as you did. But in my heart I know I did what I thought was right and in two short months I have gained an education in human relations that would have taken years in psychology courses at college.

Sincerely,

Marie Sorensen

university who presented the county-wide continuing survey to survey to the board of trustees. Building program in the next ten years is estimated to cost \$12,000,000, according to Superintendent Edward Morgan.

THE RECORD — Page 3

News From Here & There

By Eleanor Doyle

HI . . . feels mighty good to be back gathering bits of news about your friends and mine. Once again the typewriter is out of the closet and back to being part of the furniture again. Pencils have been sharpened and my note book is within reach, so you can start calling at anytime. Do hope you have all had a nice vacation, we Doyles certainly enjoyed ours.

Thanks a lot for your letters, the picture postcards from your vacation spots, and last but not least the wonderful birth announcements. My, my, how our population has grown in just a few short months.

The two LAWRENCE girls, COLEEN and SUSAN of Abbot, are feeling mighty chipper these days after parting with their tonsils last week.

Today we find that we have two of the unhappiest boys, TERRY and GARY PICCARDO of W. Moltke, who just underwent surgery yesterday at Mary's Help hospital and are now minus their tonsils.

Nine year old JEANIE RADZIKOWSKI of Abbot is feeling no pain after her recent bit of surgery for the removal of a toe. She is quite happy about the whole thing. Having a spare toe can be a nuisance at times. So it's back to normal for Jeanie girl.

MRS. TERRY STEELE, mother of BONNIE LYNN, who was awaiting surgery in a Minneapolis hospital, writes and praises the people there for their kindness and thoughtfulness towards her and Bonnie.

Several days of camping at Big Basin Redwood Park were recently enjoyed by Girl Scouts in Troop 149. Seen having a wonderful time were the following scouts: Loretta Durham, Delores Spinetti, Rhea Stafford, Cherie Williams and Linda McGowan. They were accompanied by Mrs. Irma Kelly and Troop Leader Mrs. Anita Spinetti and family.

JOANNE WALDVOGEL of Woodrow, a recent birthday girl, celebrated her eighth one by sharing it with a few playmates and friends. A grand time was had by . . . Karen Simonson, Janice Royal, Jimmie Diltz, Dennis and Diane Newcomb, Billie and Danny Bailey, Ruth and Brenda Hal.

A third daughter has joined the family of the PETE EDMANS of B street, Colma, on August 2 at Mt. Zion hospital. KATHY MARIE is the name selected for the new addition, who weighed in at six pounds, four ounces. Her sisters are Linda Lee, nine, and six-year-old Barbara.

MRS. RUTH KLINE and son JAY of Abbot left last Wednesday evening by United Airlines for a three week vacation visiting with relatives in Connecticut, New York and New Jersey. RUTH, who has time her vacation just right, will be on hand for the wedding of her niece Cyrele on August 19th.

Last Tuesday, August 14, members of the "BIRTHDAY CLUB" met at the home of Mrs. Bernice Thorpe in San Francisco (a former resident of our City). This month's birthday luncheon honored MRS. FLORENCE BURGER, who was the recipient of many lovely gifts.

Last Saturday's birthday boy was RICHARD HILLMAN of B street, Colma, who celebrated his 11th birthday by inviting five guests for lunch. Later in the afternoon Richards' dad escorted the group to the Fun House, where a bang up time was enjoyed by Linda Edgman, Susan Kirschner, Christine Cristiano, David Lewis, Brent Rusert . . . and Dad too.

The newlyweds . . . MR. and MRS. LEROY GREENWOOD, are getting settled in their new home on Thiers after recently returning from a honeymoon at Lake Tahoe, Reno and Las Vegas. Leroy, who is better known as "KELLY," is a part owner of the Westlake Auto Service. His bride is the former JOAN GRAHAM of San Francisco.

In between welcoming the new babies, the neighbors on C street, Colma, were happy to see the MERLE GARRET family moving back after living in San Lorenzo for two years.

In the moving department we find that . . . THE ANGELO J. CRUDOS with their two children SKIPPER and JUDY have moved to Westlake after living for many years on San Diego street. . . . Former residents of Brunswick, the

KELLYS, BILL and IRENE, are settling down in their new home in Rollingwood. . . . Burlingame has claimed the HOWARD SILICKS (formerly of Abbot).

This edition finds OTIS and BETTY SIMONSON with their three children KAREN, ARNE and DONALD, living in San Francisco while waiting for their home in Lafayette to be completed. BETTY, who has been active in various organizations, is going to be missed by her many friends.

In the bassinet book we find that . . . A boy has joined the A. J. BRENNAN family on Price street. MASTER JAMES KENNETH weighed seven pounds, eleven ounces, on his arrival at the Mt. Zion hospital August sixth. He has two sisters, seven-year-old GERALDINE LUCILLE and GLORIA JANE, who is two.

Still vacationing are . . . The LES MARSTIGLIS of B street, Colma, who are enjoying themselves in Lake county. . . . The BILL BROWNS of C street, Colma. . . . and ARTHUR WALDVOGELS of Woodrow, who are having themselves a time at the Russian river (a place where you meet lots of Daly City folks).

Some belated but happy birthday wishes to . . . JOAN SPINETTI of Muirwood drive, who celebrated her twelfth one while at Camp Sonora . . . Little Miss LOUISE WHITE of Wyandotte, who very recently blew out three candles on her cake and shared her party with all of her playmates. . . . Master STEVIE QUINTEROS of Abbot, had had quite a bang up time when he chucked up his seventh birthday. . . . to Cub Scout JOHN IMPLIT who turned nine last Sunday.

Late birthday notes to the following: Moms and Dads . . . MABEL ASHTON, LIZ KIRBY, ANNA ORSI, RUTH PENWELL, MARGE ASHTON, ROY GILMORE, SUE and JOHN (IGGIE) SAMPINO.

A novel way of celebrating one's birthday was recently experienced by Loretta Durham of Abbot when she woke up bright and early on the day of her 14th birthday to find that she had the measles. . . . She later went on to sharing them with her Dad CARL, who had a mighty rough time of it.

Many happy returns to . . . BOB-BY ASHTON of Woodrow who will be eight on Monday (August 20). . . . Mervin Dahl will be nine on Sunday . . . while Saturday will find MR. DICK KLINE celebrating his day.

Christening services were recently held in the Holy Angels church for GREGORY JAMES, son of the Kenneth Van Akens of Abbot. His Godparents were grandparents, Mrs. Evelyn Van Aken and William Stratton. A small reception was held after the ceremony.

While vacationing at the Russian river, bumped into the EDWARD BANTAS (formerly of our city) and was indeed quite surprised to see that they have added another daughter to the family. The Bantas are doing quite well in Santa Rosa on their thriving chicken ranch.

Third Classman RICHARD RUSTING, who has been stationed in San Diego since joining the Navy in June, is expected home on leave at the end of the month. Richard, who is 19, attended grade school here and is a graduate of Sacred Heart high school in San Francisco. He is the son of the Lawrence Rustings of Risel street.

The only three BLUE BIRD GROUPS in this area recently met at Marchbanks park for a get-acquainted play-day. About 25 youngsters participated in this first get-together, under the supervision of leaders and co-leaders who were Dorothy Waldvogel, Lorene Fillbach, Betty Panesi, Ann Craig and Margaret Russ.

New addition to the safety pin set is MASTER CARL DAVID WELSH who arrived on August 1st at Mary's Help hospital and tipped the scales at seven pounds, one ounce. Carl has a ten-year-old brother, Henry, and a nine-year-old sister, Julie. . . . Oh yes, his parents are the JACK WELSHES on Winchester.

Welcome . . . to MRS. NITA YONKER of Detroit, Michigan, who is here visiting with her daughter and family, the ROY DOYLES on Garwood drive.

Houseguests . . . The CHARLES (Continued on Page 4)

AMONG THE THIRTY-ONE girls selected from the Bay Area to serve on The Emporium High school fashion board are (left to right): Linda Kullenberg, 215

Helen drive, Millbrae of Capuchino High school; Nadja Colby, 860 Hanover street, Daly City of Jefferson High school; and Diane Parr, 702 W. Orange,

South San Francisco of South San Francisco High school. These girls will serve on the board throughout their Senior year.

RABBI STILLPASS WILL OFFICIATE THIS FRIDAY

Rabbi Leo Joseph Stillpass, recently engaged as permanent Rabbi of Temple Judea, will officiate at his first Sabbath Eve services since occupying his new pulpit this Friday evening at 8:30 p.m.

Rabbi Stillpass is former spiritual leader of Temple B'Nai Israel, Galveston, Texas, and a graduate

of the Hebrew Union college, class of 1941. He has occupied pulpits in Knoxville and Memphis, Tennessee, and served as a chaplain in the U. S. Army during World War II. He is the author of several books and a noted authority in the field of religious school education.

Traditional social and reception will follow the services. Everyone is cordially invited to attend.

Temple Judea extends a warm welcome to the following new members who have recently joined the congregation: Mrs. Leo Fox, Mr. and Mrs. Alfred Cooper, Mr. and Mrs. David Hayden, Dr. and Mrs. Samuel T. Nerenberg, Dr. and Mrs. William Berman and Mr. and Mrs. Lawrence Freiberg.

KNIGHTS OF COLUMBUS FETE SM MEMBER

At a recent meeting of the Knights of Columbus, Marian Council, a celebration was held in honor of Jack Tiscornia of San Mateo council in honor of his past services to Marian council as district deputy.

As one of the highlights of the evening, a gift was made to him by the council in token of the members' appreciation of his services during the past year. A huge spaghetti feed was held after the meeting and a very interesting talk was given by Father William Quinn, chaplain of the council and assistant to the pastor of Holy Angels parish.

Presiding at the affair was Grand Knight Thomas L. Boeci, Jr. Marian Council meets in the Eagles Hall in Daly City on the first and third Mondays of the month.

PREPARING to slice the traditional first cut at their wedding cake are Mr. and Mrs. William Louis Wright. The bride, the former Carol Jane Bate, is a graduate of Jefferson Union High school. She is the daughter of Mr. and Mrs. J. Raymond

Bate of South San Francisco. Her husband is the son of Mrs. Hazel Wright of San Francisco. The couple, who were married at recent rites at Temple Methodist church, are now making their home in San Francisco.

Cops Arrest Father After 2 Kids Found Left In Parked Car

A 30-year-old student pilot was arrested on a drunk count shortly past midnight last Friday after Daly City police officers spotted two children asleep in his dangerously parked auto.

Sergeant August Benassini and Officer Phillip La Bruzzo reported that they stopped to investigate when they saw a car parked three feet from the Mission street curb and into the intersection with Market street. The lights of the auto were on.

Inside the vehicle, the officers said they found an eight-year-old girl and her five-year-old brother, both sleeping on the back seat. Tossed into the rear of the car beside the youngsters was an empty whiskey bottle, the officers declared.

When asked where their parents were, the girl replied "Mommy's home and I don't know where daddy is."

"Daddy," who turned out to be David Leland McDonald, 287 Thrift street, San Francisco, returned shortly thereafter while police were still talking to the children.

He climbed into the auto and attempted to speed off, according to the arrest report. Upon being ordered to remain, McDonald became "abusive" toward the officers.

He was booked at the city hall on a charge of being drunk and in about a public place and later released on \$50 cash bail. He is scheduled to appear in municipal court on August 28.

The two children were sent home in a cab after officers contacted the mother.

JEFF HIGH NOT COVERED FOR FLOOD DAMAGE

Insurance policy covering Jefferson Union High school district does not include flood damage, it was revealed at Monday night's board meeting by a letter from the Hartford Insurance company.

According to Broker Peter Markovich, about \$30,000 in claims against the district have been filed so far by Broadmoor homeowners. These residents allege that improper drainage at the Westmoor High school site resulted in severe damage to their homes.

Markovich also stated that coverage for flood damage is almost unattainable, flood or storms being termed "acts of God." The district is afforded protection for "accidents" only, the broker explained.

At the suggestion of Superintendent Edward Morgan, the board agreed to refer the matter to the district attorney.

St. Martin's To Resume Choir Practice Aug. 29

Choir practice for the adult choir for St. Martin's Episcopal church will resume on Wednesday evening, August 29, at 7:45 p.m. in the vicarage, 94 Palmdale avenue, Westlake, according to director and organist George Ritter.

A busy season is ahead for the group and work will begin on special offertory anthems for the fall season. The practice schedule of the choir includes every Wednesday at the vicarage except the last Wednesday of the month, when practice will be held at various members' homes and refreshments served.

Mr. Ritter is interested in securing more singers for the choir and requests people living in the area who would like more information about the choir to telephone him at PL 5-6276.

moor and will include a seven-acre shopping center and a 16-acre school site. Grading will start on the land next month.

CALLAN ANNEX WINS TENTATIVE PLANNERS OKAY

Thomas Callan Jr.'s proposed annexation in the 75-Dollar Home-stead, where he plans to erect a multi-million dollar apartment development, won tentative approval by the city planners Tuesday night after three previous unsuccessful applications.

The planning commission had balked earlier at Callan's request for annexation, first because Callan wanted to specify his own zoning, secondly because of the irregular boundaries. The proposed annexation is just west of Junipero

Square bounded by 88th, 91st, Edgeworth and Sullivan streets.

Appearing before the planners Tuesday, Callan outlined boundaries which would make the annexation practically contiguous, although the commission still felt the boundaries could be further improved.

Planners asked Callan to submit his verbal proposal in the form of an amended map.

In other action Tuesday, the planners:

1. Approved petition of Stonecrest Corporation for rezoning four lots on the southeast corner of 87th and Sullivan from R-2 to C-1. It is believed the applicant seeks to build a gas station there.

2. Approved petition submitted by Leo Scramaglia and Katie Bianchi to rezone two lots fronting on Como street from R-1 to C-1 to increase the present commercial area which now fronts on Mission, reportedly for a used car lot.

3. Received and gave tentative approval to map of Westlake Unit 3-b, which will provide a buffer strip of five homes between proposed apartments on South Mayfair and existing homes on Fairway drive.

4. Recommended for the second time that use permit be denied William Russell, 543 Bellevue avenue, to build small pieces of furniture in his home. The matter had been referred back to the planners by the council on request of Russell, who said he needed the part-time work to augment his pension.

Planners sustained their denial after a report from Fire Chief Elmer Kennedy, who said the materials Russell would be working with would constitute a fire hazard in the dwelling, unless certain changes were made in the structure of the building.

5. Reviewed future plans for Westlake Unit 10, a 1000-home development east of Skyline which will extend southward past West-

REPRESENTING the Daly City-Westlake area as queen contestant, for the Columbus Day Festival to be held in San Mateo is Miss Laurine Garibaldi of Daly City. Miss Garibaldi is the daughter of Mr. and Mrs. Al Garibaldi of 168 Mateo avenue, and niece of champion golfer Bob Silvestri. Laurine, a pretty brunette, attends Jefferson High school, where she is active in school affairs. Besides singing, Laurine's ambition is to become a private secretary. The proceeds from the contest will be used to further scholarships to some needy students in the county.

DC GARDEN CLUB SHOW TO OFFER MUCH VARIETY

Daly City Garden club's third annual flower show will be held Sunday, September 9, at the War Memorial Community center.

Besides the horticultural section, there will be a floral arrangement section. Under the amateur division there are 12 different entries to choose from. Another section is open to all with three entries. This means blue ribbon winners can complete as well as the amateur.

There will be a special division for juniors: age 6 to 10; 10 to 12; 12 to 16.

Schedule chairman, Mrs. H. Rosenberg, will hold a meeting for those interested in placing entries in the show, on Tuesday evening, August 28, at 8 p.m. at 101 Parkview, for discussion of the schedule.

August 31 is final date for entering the show. Persons who have not secured a show schedule may do so by calling Mrs. C. M. Yohn, PL 5-5580.

CARS OVERSEAS

The American Automobile Association issued 30,000 international driving permits during 1955. These are issued to motorists who take their cars abroad or who rent or buy cars overseas for touring foreign lands.

Double Ring Rites Unite Evans-Roberts

William J. Evans Jr. of Daly City recently took Miss Emaniell Louise Roberts as his bride in a double ring ceremony performed in the chapel of the Lakeport Methodist church.

Eighty close friends and relatives of the two families attended the afternoon rites. The Rev. erend Roy Q. Whiting officiated.

The groom, a Jefferson Union High school graduate, is the son of Mr. and Mrs. William J. Evans Sr. of 162 Irvington street. He attended the College of San Mateo and the University of California before entering the U. S. Army from which he was discharged in March. The benedict is currently employed with the Pacific Telephone and Telegraph company in Oakland but plans to resume his college education at Berkeley.

A brother, Richard A. Evans, was unable to attend the wedding as he is stationed at Ft. Richardson in Anchorage, Alaska. He is expected home in December.

Student Nurse

The bride is the daughter of Mr. and Mrs. Allan W. Roberts of Lakeport. She attended the University of California and is a student nurse at Merritt hospital in Oakland. She plans to continue her nursing education and will graduate in February.

For her wedding, the new Mrs. Evans chose a formal length gown of white lace over taffeta fashioned with a Peter Pan neckline and bracelet length sleeves. Her fingertip veil fell in folds from a cap studded with seed pearls and sequins, and was "something borrowed" from her cousin, Mrs. Harvey Bartholomew Jr. of San Mateo. The bridal bouquet was an arrangement of white carnations and fern.

Maid of honor was Miss Jean Helmstein of Sebastopol, and bridesmaids were Miss Virginia Vann of Lakeport and Miss Nancy Crowell of San Jose.

Ballerina Gowns

All wore ballerina length gowns designed in the princess style and carried bouquets of Esther Reid daisies. Miss Helmstein's gown was fashioned in pink embroidered taffeta, while the bridesmaid dresses were of a pale turquoise shade.

Best man duties were performed by James O'Connell of Daly City. Ushers were Edwin Roberts, brother of the bride, and Gary Anderson of Daly City.

Vocal solos "Because" and "I Love You Truly" were rendered by Mr. Don Hendricks, accompanied by Mrs. Annie Miller.

Prior to the afternoon ceremony, Jean Helmstein and Flo Ridgeway lit candelabra decorating the altar.

Reception following the rites was held in the church social hall. Mrs. Roberts, the bride's mother, chose a gown of afternoon length in floral print with pink and white accessories. She wore a corsage of pink carnations.

Navy Blue And White

Assisting Mrs. Roberts in receiving guests was the benedict's mother, Mrs. Evans, who wore a navy blue afternoon dress. White

STUDYING PROGRAM for Our Lady of Perpetual Help church's three-day festival September 21, 22 and 23 are (left to right) Bud Lyett, promotion; Father Norman Allen, honorary chairman; and James Goulden, general chairman.

Festival To Include Full Course Dinner

Plans for the Three-day "Top O' the Hill Festival" are progressing rapidly, according to James Goulden, general chairman for the event. The festival, which will celebrate the 100th birthday of San Mateo county, will take place in the Our Lady of Perpetual Help school auditorium on September 21, 22 and 23 and is being sponsored by Our Lady of Perpetual Help church.

At a meeting of the festival committee Monday night, it was announced that one of the features of the affair will be a full course chicken dinner to be served on Sunday afternoon from 1 until 6 o'clock. The dinner will be priced at \$1.50 for adults and half price for children. Kevin Carroll and Mrs. Louise Lofrano will be in charge of the dinner.

Reports from the various chairmen indicate that this festival will be outstanding, as all kinds of games and attractions will be offered to entertain all ages. The children's concessions alone will be worth coming to see and William Whalen and Mrs. Dorothy Petersen, chairmen, are making every effort to see that this feature of the festival will be the most outstanding, the committee said.

The affair is for the benefit of the parish building fund and the public is invited. Admission is free.

accessories and a white carnation corsage complimented her costume.

Assisting at the reception were the bride's aunt, Mrs. Ed Voight, Mrs. H. C. Bartholomew, Jean Helmstein, Flo Ridgeway and Mrs. James O'Connell.

The young couple honeymooned by touring Northern California. They are now making their home in Oakland.

Out of town guests included Mr. and Mrs. Robert Bradley and son Duane of Sharp Park, Mr. and Mrs. Fred Preisser and grandson Roger of San Francisco, Mrs. H. C. Bartholomew Sr. of San Mateo, Mrs. Ted Crowell of San Jose, Dr. and Mrs. Stanley Coffey of Napa, Miss Mary C. Evans of Los Angeles, Mrs. Flora S. Evans of Pennsylvania, Mr. and Mrs. Fred Bruch and daughter Carole of Daly City, Mr. and Mrs. Al Wiley of Brentwood, Mr. and Mrs. Roman C. Yarosz and family and Mrs. Katherine Yarosz of Sonoma.

Registrar Of Voters Here September 1-13

Helen Villalba, registrar, will be at King's Market from September 1 until the voter registration deadline September 13, it was announced today.

She will maintain a registration booth from 1 to 5 p.m. and 6 to 8 p.m. weekdays and 9 a.m. to 5 p.m. Saturdays.

Holy Name Society Fetes Fred Klinger

Fred Klinger, Holy Name society treasurer for the past 20 years, was honored Sunday at a testimonial breakfast.

Judge Thomas L. Bocci was principal speaker for the occasion. Following the judge's address, Father James Bergin made the presentation of an authentic Holy Name rosary, a gift of the past presidents, and congratulated him for his many years of service.

Setting for the event in Our Lady of Perpetual Help hall was elaborately decorated with many and varied flowers in tribute to Klinger's favorite hobby. Gifts of live plants were presented him by Guy Gargallo and Maurice Bogart.

Past presidents honoring Klinger were Sidney Watt, George Lombard, Roy Thomson, John Mulder, Maurice Bogart and Walter Murphy.

Breakfast was served by the Holy Name auxiliary.

SLENDERIZING QUICK QUIZ

Question:

Did you resolve to slenderize in 1956?

MILLINERY DESIGNER

Margaret Petrie

I certainly did! By checking carefully and talking to my friends I found that Stauffer System was a wonderful relaxing method of weight reduction. My posture has improved, too. My friends were right, for Stauffer really works.

HOMEMAKER

Mrs. Grace Dawson

Yes, I have been a Stauffer Salon patron since '55. The results have pleased me, my family and our friends. I've lost 31 pounds and 40 inches over all. And I'm so happy, thanks to the fun at Stauffer.

YOUNG MATRON

Mrs. Gloria Werner

Yes! Experience had proven to me that diet alone would not solve my figure problem. I needed to lose those inches in the RIGHT PLACES, and I wanted firm muscle. My Stauffer Salon visits have given me both.

CHEF

Mrs. Sue Birrell

Sure I did...I had to! My problem was excessive weight and unattractive posture. I'm so happy to say since visiting Stauffer System I've lost 45 inches and 36 pounds. And my posture is actually graceful.

This year many thousands of women will enjoy naturally slimmer figures, relaxation and beauty from Stauffer visits. Stauffer System's exclusive six tables of passive exercise help REPROPORTION your entire body, enabling you to trim inches where you need it most. There still is plenty of time left in 1956 for you to gain the slimmer, natural figure you've been hiding. Arrest Auto Dealer On Twelve Counts

A former Daly City used car dealer has been charged with 12 counts of failing to send auto license fees to the state.

Stanley M. Huck, 24, of Berkeley, who recently closed the Ralston Used Car company on Mission street, surrendered to police last Thursday in answer to a warrant for his arrest.

Police said the 12 counts, which amount to over a \$100 in losses to the victims, are only a few of the cases where Huck failed to comply with sections of the state vehicle code relating to the sale of autos.

Appearing with Huck at the time of his surrender was Attorney John J. Fahey. The used car dealer, now free on \$250 cash bail, is scheduled to appear in court on Tuesday.

THIEVES ESCAPE WITH TIRES, WHEELS FROM 12 NEW AUTOS

Spare tires and wheels from 12 new cars were stolen Saturday night from a Daly City auto lot. Loss was estimated at \$590.

Police said culprits climbed over a fence to enter the Gateway Chevrolet company lot at Market and Alemany. Keys to the trunks from which tires and wheels were taken were left in the ignitions, officers said.

Extend Mail Delivery To Westlake Homes

Congressman J. Arthur Younger today announced the extension of mail delivery to Skyline drive, Morningside drive, Westmoor avenue, Palisades drive and Montclair avenue in Daly City.

The new service, instituted under the direction of Postmaster Vincent Murphy, will provide house to house mail delivery to several hundred residents in the area, Younger announced.

Rec Department To Form Teen Club For Westlakers

The Daly City recreation department, in response to the increasing demand for wholesome activities suitable for high school aged youngsters in Westlake, is now in the process of organizing a Westlake Teen club.

The proposed Westlake club will be patterned closely after the highly successful Misbe-Haven Teen club which primarily has been serving the hilltop area in Daly City, according to Frank Ingorsoll, acting recreation director.

The first meeting of the new organization will be this Friday evening at the Westlake clubhouse. The meeting, which will outline organization procedures, purposes of the club and program planning will begin at 7:30 and continue till 8:30 o'clock. Informal dancing will follow the regular meeting and last until approximately 9:30 o'clock. All high school aged youngsters living in Westlake are invited to attend.

Bank of America To Handle DC Water Bills

Customers of the Daly City water department may now pay their bills at any of three branches of Bank of America, Colma, Westlake, and Daly City.

Manager, Louis Pisani, of the Daly City branch said the new service was inaugurated August 1, in cooperation with City Controller Jerome Scharfman and City Manager Howard Stites, "as an additional convenience for water users."

Post Office Drivers Checked For Safety

Drivers of postal vehicles are being double-checked as part of the post office department's stepped-up safety program, Vincent P. Murphy, Daly City postmaster, said today.

"Local post office drivers must now qualify for U. S. government motor vehicle operator's licenses in addition to having valid California drivers licenses," Murphy stated.

In a new program scheduled for initial completion by January 1, 1957, nearly 100,000 postal drivers, who drive on official business, will be required to meet certain requirements designed to insure their ability to operate postal vehicles safely. This includes 20 of the employees of the Daly City post office.

The local postal drivers will be checked on their past driving records, given physical check-ups, and road checks. In charge of examining the local drivers for the new government licenses is Houston Holmgren, superintendent of mails of the Daly City post office, assisted by Peter Bogdan, assistant superintendent.

Postmaster Murphy said that the new driver licensing program is part of the post office department's driver improvement program which has been underway for the past two years, and which has resulted in the postal service receiving special recognition from national safety organizations for the safe-driving program.

Vandals Cause \$50 Damage To DC Cottage

An estimated \$50 damage was done last weekend to an unoccupied Whittier street cottage by vandals.

Police listed the victim as Irene Meusdoerfer, 75, of 251 Whittier street. Damage was done to a small cottage adjoining the main house and included broken windows, screens and paneling.

N. COUNTY CITIES MOVE TO RE-VAMP RECALL VOTE LAWS

Terming the recent recall election in Daly City "an abuse of democratic principals and intimidation of the council," the North County Council of Cities, meeting here last Thursday at The Colonial, called for several revisions in the recall laws.

In a resolution presented before the north county cities, an increase of the number of signatures required to force a recall election from 12 to 25 per cent was considered. The resolution also urged that before recall proceedings could be launched, the charges should be submitted to "some scrutinizing agency" such as the grand jury.

Some representatives thought the 25 per cent figure too high, while others opposed establishing the grand jury as an all-powerful instrument in deciding for or against recall charges.

Instead the cities agreed that city attorneys of each city should draft definite proposals for altering the recall laws. "An 18 per cent figure for the number of signatures required was suggested as a compromise. Another method suggested was that 12 per cent of all registered voters in each precinct sign the recall petitions."

The attorneys were also asked to consider more adequate methods of checking real signatures because of alleged "abuses."

The unsuccessful recall in Daly City May 15, at which ouster of three councilmen was sought, prompted the north county cities' group study of the adequacy of the recall laws.

Obituaries

John Hall

John William Hall, 15, of 695 Market street, died Wednesday at Sequoia hospital. Death was ascribed to a brain tumor.

He was the son of Tate Hall and the half-brother of Edward Parker. He had lived in Daly City 12 years and was a student at Jefferson Union High school.

Funeral services will be held in Jacksonville, Florida, where Hall was born. Local arrangements are under the direction of the White Oaks chapel, San Carlos.

Boy Scouts Kick Off Voter Registration Drive This Saturday

San Francisco Council Boy Scouts will kick off their 1956 "Get Out The Vote" campaign this Saturday, when they distribute posters carrying the message: "Register and Vote!"

The nationwide campaign, which is strictly non-partisan, is intended to help produce a record vote in the November election.

More than four million Scouts and leaders in the nation will participate in the campaign, largest "good turn" ever performed by the Boy Scouts. It is jointly sponsored by the Boy Scouts of America and Freedoms Foundation at Valley Forge.

Henry E. North is chairman of the San Francisco "Get Out The Vote" committee.

Scouts are putting up their "Register and Vote" posters early to urge citizens to register before the September 13 deadline and thus avoid the principal reason for not voting, which is failure to register.

TV and Radio

PERSONALITY SKETCH . . .

Heading one of KGO's most important departments as Continuity Acceptance Manager we find our local interview for this week, Lorraine Pedersen, another resident of Daly City who is employed in the broadcasting field. Lorraine successfully combines a career and family because she is also the mother of twin boys age five. The Pedersen family have resided in the Westlake Highlands area since last fall.

In her position Mrs. Pedersen is responsible for screening all scripts, live copy, and films that are broadcast to make sure that it is in good taste, conforms to company standards, and is not slanderous. It is her responsibility to see that certain announcements on television and radio are not scheduled at a time when children might be watching.

In our interview she cited a recent instance when the station was broadcasting an announcement for a coming horror film at a downtown theater. She saw that the announcement was scheduled at a late evening hour when children were in bed.

Mrs. Pedersen's husband, Robert, is the owner of a chain of swimming schools throughout California. When queried about community affairs she said she is looking forward to participating in PTA when her youngsters start school in the fall, and both she and her husband are anxious to join in other community activities.

Her hobby is training dogs and she has won many awards back east for obedience training in national dog shows. They plan on purchasing a great dane soon, so with twin sons . . . a career in television . . . community activities . . . a dog . . . vivacious Lorraine Pedersen won't have to wonder what to do with her time . . . another young family which is an asset to our community.

KIDDIES' CORNER . . . Calling all "Tamba" fans! The lively little chimpanzee, Tamba, star of the Jungle Jim television show (KGO-TV, Fridays, 6:30 p.m.) will appear in person in front of the Golden Gate Park in San Francisco on Friday, August 10, at noon. Accompanied by his trainer Henry Tyndall of the World Jungle Company, Thousand Oaks, California, Tamba will go through his routine for the youngsters.

NEW LIVE MUSIC BROADCAST OVER KNBC . . . For a pleasant background to your house hold tasks in the morning we suggest you tune your radio to "NBC BANDSTAND" which premiered over KNBC (Monday through Friday, 10 to 12 noon) last week. We listened to several broadcasts and found the program quite delightful. We particularly like the musical selections which include familiar old favorites as well as semi-classical and new popular selections. Bands that will be featured from week to week include such well-known orchestras as Guy

Pet Show Friday Promises Squeals, Screams & Variety

Pets—from Boxers to bulldogs, parakeets to Poodles, and goldfish to 'gators—have been invited as special guests this Friday when Garden Village school playground conducts a pet show as part of its summer program of recreation.

Any type of pet will be eligible in what promises to be a screaming, squealing event scheduled from 10:30 a.m. to 12 noon.

As part of the rules for the day, pets are required to be on leashes or in suitable containers. All entries should also be registered prior to the judging. Forms for this are available from supervisors

at the playground.

Detailed breakdown of the event follows:

10:30 a.m. — Registration of pets; 10:45 a.m. — Parade of pets; 11:00 a.m. — Judging and presentation of ribbon awards to winners; 11:30 a.m. — Turf races; 11:45 a.m. — Frog jumping contest.

Ribbon awards will be presented first, second and third place winners in each of the following categories:

1. GENERAL — best costumed pet, most unusual pet, biggest pet, smallest pet, prettiest pet. 2. Dogs. 3. Cats. 4. Amphibians and fish. 5. Bugs and insects. 6. Rodents. 7. Fowl.

The pet show ushers in the final week of the 2½-month-long program of summer recreation set up for area youngsters by the Jefferson Elementary school district, in cooperation with James L. Snell PTA and local home owners.

Next-to-New Sale Fund Raising Event For Broadmoor Women

With a contribution to the building fund for a new sanctuary as their objective, the Women's association of the Broadmoor Presbyterian church is sponsoring a next-to-new sale on Thursday, August 23. To be held at the church, the sale will feature women's and children's almost new clothing, and will start at 10 a.m. There will be a bake booth also.

Donald Miller's objections to sending a Jefferson Union High school board member to a national convention in Atlantic City were overridden Monday night by remainder of the trustees.

"There are enough local and state conventions to attend without expending money to send a delegate across the country," Miller told the board.

He was voted down, however, by the rest of the members after they and Superintendent Edward Morgan extolled the worth of the National School Trustees association convention.

Elio Fontana was named delegate, and Raymond Whitney alternate to the February confab.

Rovai Sparks New Pisa To 7-2 Win Over Optimists

Little Mikie Rovai scored the tie breaking run in the seventh inning at Marchbanks diamond Saturday to avenge an earlier defeat by the South San Francisco Optimists, as New Pisa went on to win, 7-2.

Rovai tallied after singling with two out in the final inning, to start a rally that carried on until the side had batted around, and Mike Wall fanned his second time up in the inning for the third out. Rovai's hit was followed with a walk to Barry Krohn, and George Claus got a life when the Optimists' first baseman lost his hard hit grounder. Bill Hynes got his second hit to score Mike. Vic Kulik walked for another forced run, scoring Barry Krohn. Mike Lanthier walked and Terry Christianman doubled for the other markers.

Wall walked to start the fifth frame, and moved along on Tom McHugh's second hit of the day, a perfect sacrifice by Rovai, and Krohn batted in both Wall and

McHugh. Once again, however, the Lowell Creighton kids were their best at defense. Two Optimists were thrown out at home, and McHugh pegged to Hynes at third to stop a rally in the fifth.

The New Pisa youngsters were handicapped, for Ricky Morales had to leave the game after the first inning with a severe muscle spasm in his neck. This sent McHugh behind the plate. Hynes to third replacing Claus, who moved to short. Jim Kollmann made his first appearance in six weeks, having recovered from an appendectomy. He walked in the first, but the South City pitcher caught him on a third strike in the fourth, then he retired when Christman replaced Wall on the mound in the bottom of the fourth.

Morales has to spend some time in traction at Junipero Serra hospital each day, but may be able to return to the line up soon. The New Pisa Juniors play on Saturday and Sunday at Marchbanks park.

Meeting the Johnny Shell Juniors for the third time at noon on Saturday, the kids will try for their third straight. On Sunday

THE RECORD SPORTS

'Pat' Patterson Bags Buck at Rod-Gun Outing

One buck that dressed out at 103 pounds was the total bag of the Daly City Rod and Gun club on their first group hunt to Lake county last weekend.

"Pat" Patterson was the lucky hunter who bagged the good-sized animal.

Another group hunt to the area is planned in the near future, according to president Bill Gurr.

While his fellow club members were beating the bushes for the elusive deer, Ed Nensiel reported taking several large black bass running up to four pounds at Clear Lake.

Next meeting of the Rod & Gun club is scheduled for September 5 at 7343 Mission street, starting at 8 p.m. Further information about the club may be obtained by calling Art Craner, PL 5-5376.

at 11:30 a.m. they'll face St. Cecilia Juniors for the fourth time. St. Cecilia's is the nine that broke the New Pisa' win string at 13 some weeks back.

Doubles Badminton Tourney On Tap at Community Center

COMMUNITY CENTER
By Bill Mendoza and Marvin Comstock

A doubles badminton tournament is currently underway in the community center. Some of the doubles who have already signed up are Ron Kalinin and Don Miller; Gus Delpape and Pete Garcia; Don King and Mike Cosgrove; Lou Nolli and Bill Pickering; Rodger Stahl and Tim Curtin; and Tim Reed and Bill Johns. This is a teenage tournament which has a great deal of promise. All participants are continually practicing with the hope of becoming the ultimate winners.

A sign-up is also taking place for the final ping-pong tournament of the year to decide the local champion. The event will start next week and is open only to those who will or are attending high school. The two tournaments will soon get underway and are in preparation for the Daly City Championships which will be held during tournament week from August 27 to 31. Prizes will be awarded to all winners with more information to come at a late date.

MARCHBANKS

By Leslie Linhares

Whirling wheels, music and the strains of happy voices resounded through Skateland as Daly City youngsters took over for their annual skating party. This is undoubtedly one of the most popular of all our summer outings. Children of all ages seem to really let themselves go when they get the feel of the spinning wheels under them. "Merrily We Roll Along" is the hit tune of the day. It is a pleasure to see some of the graceful skaters as they glide along with ease. It is even more fun to watch the beginners as they courageously try their skill on wheels. The Rasmussen family, Kathy, Bob, Turpy, and Art were quite at home on wheels. Gary Arnold, Mike Drew, Lucky Crist and Buzz Romero could give Dick Button some stiff competition. Everyone nicknamed Pat Kennedy the Sonja Heine of the rinks. The fun-filled day was topped off by a visit to the fun house and thrilly rides.

The number of ping-pong enthusiasts grows daily. Practice makes perfect is the maxim. We ought to have some real perfectionists soon. Bob Berry remains champ of the week, but his crown is sitting precariously as challengers Gordon Tydingo, Jay Berry, Mike Kennedy and "Kelly" warm up to the place. Next week is elimination week. This will be the test period.

LINCOLN PARK

By Mike Sibitz

Over 40 eager fishermen awoke at the crack of dawn to attend the fourth annual Lion's club fishing day at Lake Merced. Jon Dunne, Paul Marchion, and Marie Weeden had quite a few bites, but were unable to land a fish. Doug Thomas, who caught his limit within three hours, received a rod and reel for catching the biggest and most fish.

On Monday and Tuesday Lincoln Park will have a baby picture contest. A prize will be given to the cutest and prettiest baby. The highlight of the contest will be when the identity of the photographs are disclosed.

Thursday, August 23, will be the date for the last outing of the summer program. Sign-up now with your director.

ARTS AND CRAFTS NEWS

By Roberta Taylor

Jim Hough - Dorothy Chase During the past week we have been collecting items which the children have made this summer in arts and crafts. These items will be displayed at the recreation department's annual arts and crafts exhibit which will be held Wednesday and Thursday August 22 and 23 at the Daly City community center. First, second and third place ribbons will be awarded for outstanding work in the various media.

On Monday morning children may bring items to be entered in the exhibit to the following

Village Boy Lands Giant Rainbow At Lions Fishing Outing

Daly City-Colma Lions last week joined playground officials at Garden Village school in treating the area's Junior Isaac Waltons to a day at Lake Merced.

Half a hundred youngsters from the area were part of the group transported by Lions to the fishing grounds, equipped with bait and gear and provided with free lunch.

Bobby Maloney, of Garden Village, earned honors for the day when he hooked a 20 1/2-inch rainbow trout which weighed 4 1/2 pounds. It was the biggest catch for the day.

schools: Crocker 9:45-10:10; Colma 10:15 to 10:45; Jefferson Elementary 10:45 to 11:10; Olympia 11:20 to 11:40; Westlake 11:45 to 12:10. Children may also bring entries to the community center between 10 and 11 Monday. All entries for the exhibit should be labeled with name and age of the child and the center at which the work was done. All entries will be returned after the exhibit.

ARCHERY

By Helen Paris

The archery tournament play-offs at the various playgrounds have been postponed for one week in order to give all participants an equal opportunity to tryout and practice for this event. All participants have been practicing diligently and show great promise of providing good competition for the coming event.

WAR MEMORIAL SITE FOR ANNUAL CRAFTS EXHIBIT

The War Memorial building will be the scene of the biggest summer program attraction yet offered when the recreation department presents its annual crafts exhibit in conjunction with a gigantic talent show next Wednesday evening.

The annual arts and crafts exhibit will be held on Wednesday and Thursday at the War Memorial community center. First, second and third place ribbons will be awarded for outstanding work in the various media.

Some of the material which will be on display are copper work, paper mache, tempera paintings, pyroclastic belts, key chains, lanyards, bracelets and jewelry in the form of earrings, lockets and wood burning, and ceramic molds which have been colorfully decorated. Children may either enter material with the arts and crafts directors at their local sites or bring entries to the community center prior to the exhibit dates.

All entries for the crafts exhibit should be labeled with name and age of the child and the center at which the work was done. All entries will be returned after the exhibit.

The talent show will comprise some of the outstanding talent of the following local music studios: Shipley and Smith, Hyers and others. A few of the tentative selections are a piano duet, popular vocals, accordion solo, saxophone number, junior eight piece band and specialty dances.

The arts and crafts exhibit will be on display daily August 22 and 23 while the talent show will take place on Wednesday evening, August 22 from 8 p.m. and conclude at approximately 10 p.m.

Would you trade 20 minutes of your time for a saving of hundreds?

Why put off the fun of a Ford Test Drive for a single day? As you know, it puts you under absolutely no obligation. And it may save you literally hundreds of dollars—we'll get to that a little further on.

By a Test Drive we mean more than a once-around-the-block "spin."

We want you to test the power that rocketed Ford to a 500-mile stock car record at Indianapolis... the GO that won the grand prize at NASCAR's Daytona Championships. We want you to feel how this Ford seat pays off in your kind of driving: in traffic, passing on the highway, getting going at traffic lights. We'll put either a Ford Six or a mighty V-8 with up to 225 h.p. at your disposal.

We want you to drive and listen—drive and feel. "Sure," you'll say as you drive along the road. "Feels pretty good—but after all, this car is new."

Well sir, when you come in from your drive we'll show you exactly why a new Ford will stay like

new for a long, long time. We'll show you how Ford has five cross-members (including a "K" member) in its frame. Ford's leading competitor only has two. We'll show you the deep-block Y-like engine design which enables Ford engines to take it.

Now—what you've been waiting for. How can you save hundreds of dollars by taking a Ford Test Drive?

Simply by proving to yourself that there really is a fine car in the low-price field.

You see, the reason a Ford does not cost hundreds of dollars more than it does, is Ford's huge production and the huge volume which we Ford Dealers sell.

But enough of this talk. Come in. And you do the driving and the talking. Bring the family, too.
